1 Year "RADIANT YOU" Coaching Program

Wouldn't it be great to make a decision to do all that you can for your mind and body? Wouldn't it be great to know that there is someone to turn to to address any concern on any level with the energetic tools that work? Wouldn't it be great to make a commitment to yourself to allow someone to guide, coach, and empower you to your desired destination?

I am now offering my services for an entire year as part of the RADIANT YOU coaching program! I will provide up to 2 hours of my services per month. This will include ERT testing in person or non-locally for you. It may also include specific spiritual support on how to achieve your dreams...whatever it is that you desire. We will focus together on moving through any obstacles to create radiant health, fulfilling relationships, or fabulous wealth!

The cost of this service would normally be over \$2100 for the year. I am now offering this to you for only \$1200(plus tax)! This is a small investment in YOU, and I know that YOU are worth it!

You may be thinking "I would like my husband, wife, or partner to get in on this as well." If you are I will offer an additional bonus....only an additional \$800 (plus tax) for the entire year! Altogether, this is less than the investment it would be for one person at the normal rates.

You may also be thinking "Can I give the RADIANT YOU Coaching Program as a gift to someone I know?" The answer is...YES!

There are always people who would like help but can not afford it at this time. If you would like to gift the 1 Year RADIANT YOU Program to someone you are welcome to do so. If you don't know of someone I can make arrangements to find a deserving individual!
